

The Food Factory meets all the required food and hygiene regulations.

We are proud to be a TRAFFIC LIGHT SCHOOL meeting Star Choice, National Heart Foundation and Government Standards, providing BPS students with food and drink choices.

ALL lunches must be placed in a clean lunch bag for health regulations, if you are purchasing lunch through the canteen.

Please ensure you provide a bag or 5c for one. All online orders have bags included.

The P&C runs our canteen with the help of a Manager and assistants. However, with such a large school with over 900+ students, getting lunches out on time is a HUGE task.

We DESPERTELY need VOLUNTEERS! We will take ANY free time you might be able to spare, even half an hour is a MASSIVE help! The more volunteers we have, the more healthy food choices the students have. Butler Primary is very fortunate to still have a canteen offering such an invaluable service to all our families.

The canteen always has coffee, tea and a lot of laughs! Drop into the canteen and put your name down, or call the office 9562 1804.

Recess and Second Bell time at Lunch offer some yummy treats and snacks - including fruit, freshly homemade baked goods, fruit and jelly, nuggets, hash browns, slushies, ice-creams and MORE! All food range from 30c - \$2 during these times.

FOOD FACTORY SUMMER MENU

2015/2016

HOW TO ORDER

BPS Canteen is now ONLINE. Please order through the online site

www.canteen4schools.com

You will still be able to order from the Canteen using a lunch bag with ALL details clearly filled in and placed in the child's class basket.

The Canteen Hatch will be serving as normal during recess and 2nd bell lunch, as these items CAN NOT be ordered online.

****PLEASE NOTE****

If you wish to order SUSHI for Wednesday, your orders must be completed by TUESDAY MORNING as it is made to order from Sushi Master.

Open from 8.45 Every Morning ☺
