LIFE EDUCATION SCHOOL INCURSION

Dear Parents/Caregivers,

Pre-primary to Year 6 students will be attending the **LIFE EDUCATION** incursion in Weeks 2, 3 and 4 of Term One. The cost of the incursion is \$8.50 per child for Years 1-6 and \$4.00 per child for Pre-primary students.

LIFE EDUCATION is a not-for-profit organisation working with schools to deliver a curriculum-based program that empowers children to make safe and healthy lifestyle choices. It has been operating for more than 35 years and has delivered programs to nearly 5 million children in that time. **LIFE EDUCATION** drive their mobile learning centre into schools to help make the program accessible and the learning exciting and memorable. The sessions are delivered by specially trained educators, are hands-on, fun and collaborative, and feature their well loved iconic mascot, Healthy Harold, the giraffe. They also provide teacher and student resources to allow concepts to be further explored and consolidated in the classroom. The **LIFE EDUCATION** Program is linked to the Australian Curriculum and the programs support children, teachers and families to explore a range of health topics:

Pre-primary: Harold's Healthy Play Day-Learn about the importance of healthy foods, hygiene, sleep and exercise
Year1 and 1/2: Harold's Mystery Tour-Internal body parts, such as the heart and lungs and explore safety at the park and on the beach

Year 2: Harold's Heroes- Recognise safe and unsafe behaviours, smoking, storage of medicines, emergency procedures and healthy food choices

Years 3 &4: All Systems Go- Functions of various body parts and the actions required to keep these systems working well, smoking and drug education, managing peer pressure and healthy food choices

Year 5: Be Cyber wise- Cyber safety, cyber ethics and building positive relationships with friends online and offline

Year 5/6 & Year 6: It's Your Call- Improving student's decision making skills by looking at choices, consequences, responsibility, facts, information and influences. Peer influence, cyber safety and cyber ethics are themes used to explore decision making.

Parents and Care givers are invited to visit the LIFE EDUCATION van after school on Tuesday, 16th February and meet the LIFE EDUCATION presenters (2:45pm-3:45pm). For parents who would like more information on their child's incursion please call the school or visit the website:

www.lifeeducation.org.au

Kind Regards

Debra Hamblin

Deputy Principal

Please complete the permission slip below and return the slip with payment to your child's class teacher before Wednesday 10th February. Alternatively, money can be paid by direct deposit (Direct Deposit details: BSB 016338 A/C 110391487. Please refer child's/children's name/s and payment code LE)
