

Dear Parents & Caregivers,

Butler College Science Expo

We invite Year 4 and Year 5 students, parents and caregivers to the 2016 Butler College Science Expo.

The Science Expo will provide the opportunity for Primary School students to familiarise themselves with high school Science equipment as well as experiencing a variety of Science experiments.

Details of this event are as follows:

Date: Monday 5th December 2016

Time: 4.00pm – 5.00pm

Where: Science block Rooms B.04 and B.05

The event planned for the students will include hands on activities in the five key areas of Science:

- Physical Sciences: Electricity, Magnetism and Forces;
- Biological Sciences: Dissection, DNA extraction, Microscope activities;
- Chemical Sciences: Dry ice/liquid nitrogen, Elephant toothpaste, Acid and Base reactions;
- Earth and Space Sciences: Rocks and Mineral collection, Stellarium app;
- Computing Sciences: 3D- Printing

Butler College Science staff and students will be assisting during this event.

We look forward to seeing you and your children at the 2016 Butler College Science Expo.

Thank you & kind regards

Pavitra Dewi – Science Teacher Butler College
