Momentum Dance - Unstoppable!

- Saturday, August 5, 2017
- 2:00pm 3:00pm

Momentum Dance presents an ambitious triple bill of choreography for life-long dancers.

Featuring commissioned works by Israeli choreographer, Jin Plotkin and Australian choreographers Daryl Brandwood and Phillippa Clarke. Poetic and visually stirring, the choreography explores the sensations of hanging over the edge, crashing waves, muscle memories and the tender relationship between parent and child.

Momentum Dance is unstoppable. It provides opportunities for dance practitioners to continue to grow, no matter how old. The heart of Momentum Dance challenges stereotypes about what it means to be an older dancer.

We acknowledge the generous support of Claudia Alessi and The Chapel Space's Artists-in-Residence program, Ausdance WA, WAAPA Dance and Prendiville Catholic College.
