

OUTSIDE SCHOOL HOURS CARE (OSHC)

YMCA WA has been a provider of Outside School Hours Care for over 23 years. Children in our care will enjoy both indoor and outdoor activities such as sport, art and craft, homework club and more.

Our approach to learning is based on three core beliefs:

- High quality, evidence based practices that meet or exceed the National Curriculum Frameworks and Standards
- Building capacity by engaging children in environments that promote learning
- Developing the whole child by taking a holistic approach.

All our programs are staffed by qualified, experienced childcare professionals with current National Police Clearances and Working with Children Checks.

We are a Safeguarding Children accredited organisation and are committed to the education and safety of your child.
