

The Addams Family

The Musical

In week four of term three, the Year 5 and 6 students had the awesome opportunity to view Butler College's very musical, The Addams Family! After walking up to the school, we were greeted by the Performing Arts Teacher and then escorted into the theatrette.

We were then entertained and introduced by the morbid story of the Addams Family. Their family included Morticia, Gomez, Wednesday, Pugsley, Uncle Fester, Grandmama and Lurch. As the musical progressed, we were introduced to Wednesday's love interest Lucas and his family. Despite Wednesday and Lucas' struggles in love, they conquered their problems and we were left with a happy ending.

A few lucky students were able to have their photo taken with the cast members at the end of the musical.
