

## New Lego

The Year 3 Lego/Science Club were very excited this week as they received some new Lego. The new Lego adds to the kits the students use for challenges and for building onto Edisons. It will enable them to use their imagination, creativity and problem solving skills in new and exciting ways. The Lego was purchased by some of the money on a gift card from Woolworths when Butler Choir sang at the opening of their Butler store last year.

The new Lego additions

Unpacking the kits.

Spinning orang-utan
