

Butler College Scholarship Program

Physical Education Scholarships for Year 7 2020

Each scholarship covers the Year 7 Contributions and Course Charges

We are pleased to invite all students enrolled in Year 7 2020 to apply for two Physical Education Scholarships in the areas of netball, cricket or general sporting ability.

Students who show talent and perseverance within the learning area of Physical Education are specifically catered for by our High Performance Netball and Cricket Programs, as well as extra-curricular opportunities including before & after school fitness sessions, gym workouts, soccer and rugby competitions and interschool events.

Assessment opportunities for students to showcase their abilities will be based on:

- performance ability;
- team orientation; and
- a signed application and recommendation from their Primary School.

Applicants for all Scholarship Programs must be enrolled at Butler College (meeting all the requirements of the enrolment application process) and attend the College fulltime.

Applications for the 2020 Physical Education Scholarship Program close on Friday 28 June 2019.

Completed applications can be emailed to helen.macri@education.wa.edu or delivered in person to College Administration during school hours. ***You will then be contacted regarding your child's Scholarship assessment.***

For more information, please see our [website](#) or contact Kelly Johnson or Helen Macri on 9561 4200.
